

QMC Portal/MyQMC

The QMC Portal and MyQMC have been combined and will now be referred to as MyQMC.

To access MyQMC, you will need to click the link on the homepage and login. The login is the same as your previous QMC Portal login.

Once you are logged in, you will be able to access the information you could in the QMC Portal about your daughter but you will also be able to find the MyQMC content under Quicklinks.

The two pages were combined to simplify where information relating to your child and the school were and to also protect sensitive information.

Calendar

The website has a new calendar which is connected to the QMC App. On the website, you can select what events you would like to see that relate to you and your child.

The QMC Calendar

Welcome to the Queen Margaret College Digital Archive

Here you'll be able to view the school's latest photos and explore our rich history dating back to 1919 when the College was founded.

If you would like a copy of the original, please send an email to archives@gmc.school.nz by quoting the Asset ID and we will be in touch to discuss this further.

Potentiality

Potentiality is an interactive part of the website for our Alumnae. This part of our website still requires some work and will be available very soon. Our community will be able to stay in touch with Queen Margaret College Alumnae from all year groups, search for those you have lost touch with, see various news and events happening around the College relating to Alumnae and update your personal details so we can keep in touch with you. The Centenary information will also be posted here as the plans develop.
